Dear Prospective Northstar,

On behalf of the Norman Northstar Coaching Staff I would like to extend this invitation to our team's tryout camp being held August 26-28, 2011 at the Thompson Regional Community Centre. There will be savings incentives for pre-registering detailed in the accompanying letter so please secure your spot in camp at your earliest convenience. Official check-in and group selections will begin at 1:30pm sharp on August 26, please arrive on time.

We will once again be including an off ice fitness portion to complement the on ice sessions so please come on time and prepared with the appropriate dry land gear for indoor and outdoor work outs. We may also have a goaltender specific skate again depending on our numbers. We will be paying close attention during all aspects of the tryout camp to see who has treated the off season seriously.

As Head Coach I am looking not only at talent, but for players who are willing to take the time and make the effort to continuously improve their skills and be a true team player. We want to find the right combination of players who strive to create a positive environment and are ready to build on the strong foundation that was laid by last year's team. Players wearing the Norman Northstars jersey will be respectful, hard working individuals of strong character who are capable of being positive role models on and off the ice as well as in the community.

Like last year, we will be hosting a week long conditioning camp leading into tryouts, August 22-26. This is an excellent opportunity to get some quality ice time in before camp so please stay in touch with our team website [www.normannorthstars.com](http://www.normannorthstars.com) for upcoming information and registration forms.

It must be noted that a high level of commitment is required to compete at the Midget AAA level. If you believe that you are up to the challenge and are willing to commit and give us your best, I look forward to seeing you at camp. Have a safe and enjoyable summer!

Sincerely,

A handwritten signature in blue ink, appearing to read "DL" followed by a flourish.
